SUPPLEMENTARY INFORMATION: The National Clinical Care Commission Act (P.L. 115-80) requires the HHS Secretary to establish the National Clinical Care Commission. The Commission will consist of representatives of specific federal agencies and non-federal individuals and entities who represent diverse disciplines and views. The Commission will evaluate and make recommendations to the HHS Secretary and Congress regarding improvements to the coordination and leveraging of federal programs related to awareness and clinical care for complex metabolic or autoimmune diseases that result from issues related to insulin that represent a significant disease burden in the United States, which may include complications due to such diseases.

This inaugural meeting of the Commission will consist of swearing-in non-federal Commission members, an overview of various federal interagency efforts surrounding diabetes programs, the establishment of the Commission subcommittee structure, and setting future agenda topics. The names and biographies of the Commission members and final meeting agenda will be available prior to the meeting at <https://health.gov/hcq/national-clinical-care-commission.asp>.

Public Participation at Meeting: The Commission invites public comment on issues related to the Commission's charge either in-person at the meeting or in writing. In-person attendees who plan to provide oral comments at the Commission meeting during a designated time must submit their comments to OHQ@hhs.gov on or before October 24, 2018 and must check-in on-site. To accommodate as many individuals as possible, the time for each comment will be limited to three minutes. If more requests are received than can be accommodated, speakers will be randomly

selected. The nature of the comments will not be considered in making this selection. Written comments are welcome throughout the entire development process of the Commission and may be emailed to OHQ@hhs.gov, or by mail to the following address: Public Commentary, National Clinical Care Commission, 1101 Wootton Parkway, Suite LL-100, Rockville, MD 20852.

Written comments should not exceed three pages in length.

To attend the Commission meeting, individuals must pre-register at the registration website at <https://events.kauffmaninc.com/events/ncccmeetingone/>. In-person and live videocast attendance options are available. In-person attendance at the meeting is limited to space available. In-person registrations will be accepted until maximum capacity is reached and must be completed by October 25, 2018. On the day of the meeting, seating will be provided first to persons who have pre-registered. Those who have not pre-registered will be accommodate on a first come, first served basis if additional seats are still available 10 minutes before the meeting start. Individuals who need special assistance, such as sign language interpretation or other reasonable accommodations, should indicate the special accommodation when registering online or by notifying Jennifer Gillissen at jennifer.gillissen@kauffmaninc.com by October 25.

Authority: The National Clinical Care Commission is required under the National Clinical Care Commission Act (Public Law 115-80). The Commission is governed by provisions of the Federal Advisory Committee Act (FACA), Public Law 92-463, as amended (5 U.S.C., App.) which sets forth standards for the formation and use of federal advisory committees.

Dated: October 1, 2018.

Don Wright,

Deputy Assistant Secretary for Health (Disease Prevention and Health Promotion).
